Elluminate live!®

Elluminate provides web, audio, video, and social networking solutions optimized for 21st century education and training. Our unified learning and collaboration approach means that communication is instant, collaboration continuous, and learning accessible, personal, and meaningful—for everyone.

Transform the teaching and learning experience

Elluminate *Live!*® is built for live, multimedia, many-to-many collaboration. Our unique Collaborative Communications Framework ensures that all learners are in sync, regardless of computer platform or Internet connection speed. Our *No User Left Behind*™ technology means that ALL learners, even those with disabilities, get a richer, more interactive learning experience.

From two-way audio, multipoint video, and shared whiteboards to application sharing, interactive recording, and breakout rooms, all Elluminate *Live!* components are tightly integrated to provide the ultimate interactive learning environment. Whether you have two students — or two hundred — Elluminate *Live!* enables world-class communication, collaboration, and education that transforms teaching and learning.

Unified Learning and Collaboration **Powered by Elluminate.**

Elluminate®
Where Bright Ideas Meet.

What does Elluminate *Live!* do?

Only Elluminate delivers an interactive online environment for teaching, learning, and collaboration that provides a personalized experience for every participant, delivers exceptional outcomes across the enterprise, and seamlessly integrates with existing educational infrastructure.

For instructors

Bridge the gap between text-based asynchronous distance learning and the face-to-face interaction of a physical classroom. Elluminate *Live!* is an intuitive, instructor-led environment that delivers real-time, interactive education and encourages real learning and collaboration.

For administrators

Enhance learning opportunities for existing students and reach new ones. Leverage limited resources, provide professional development, and facilitate multi-campus meetings and inter-institutional research projects—without costly travel.

Why is Elluminate *Live!* the clear choice for educators?

- Enhance learning while increasing reach and enrollment
- Provide accessible environment that benefits everyone
- Add virtual or blended online/onsite events
- Facilitate social networking with online communities
- Deliver professional development without costly travel
- Increase effectiveness of faculty and staff meetings
- Leverage limited teaching resources
- Hold virtual office hours,tutoring and mentoring sessions

"Insight teachers bring learning alive in their classroom sessions, iMentors "walk" students to class, students take part in extracurricular activities, and administrators assist their teachers, parents, and students, all through Elluminate technologies. More than anything else, Elluminate brings people together to make learning happen."
– Kim Bonniksen, Director, Insight Schools

For technologists

An essential part of the educational infrastructure, Elluminate *Live!* provides a superior technical foundation that easily integrates real-time, online interaction into existing systems. Preserve investments already made with current collaboration options for a connected learning enterprise.

For trainers

Today, doing more with less has become standard operating procedure. And the first thing to get cut from a strained corporate budget is often training. With Elluminate *Live!* you can train more people in less time at a reduced cost, and make your meetings more efficient and effective.

The Elluminate Learning Suite™

Elluminate *Live!* is an integral part of the Elluminate Learning Suite. Also included is Elluminate *Plan!*™ for organizing, scripting, and packaging content and activities before the live session and Elluminate *Publish!*™ for creating reusable learning content from Elluminate *Live!* session recordings. It's everything you need before, during, and after your real-time, online session.
