

Main Menu Bar on Landing Page

Find the menu bar at the top of the main landing page for the class.

Select

Add & Manage Content

Depending on your color scheme, this menu may be hard to read.

The screenshot shows the 'Wimba Classroom' interface. At the top, there is a dark grey menu bar with several options: 'Add to Calendar', 'Add to Announcements', 'Add & Manage Content', 'Room Settings', and 'Advanced'. The 'Add & Manage Content' option is highlighted with a blue rectangular box. Below the menu bar, there is a button labeled 'Enter Room' with a house icon. The main content area displays a green dot next to the text 'UMB Wimba Staff Training 2013 Room (Ongoing)(Open)'. Below this, there is a table with three columns: 'Phone Access:', 'Dial-in numbers:', and 'PIN codes:'. The 'Dial-in numbers:' column contains the text 'Phone : (571) 392-7604'. The 'PIN codes:' column contains 'Instructor : 56696698' and 'Student : 56696680'. At the bottom of the screenshot, there is a text label: 'Here is the list of recorded archives for this room:'.

Note that Internet Explorer will make the menu thin and *very* hard to read.

This screenshot shows the same 'Wimba Classroom' interface as the previous one, but the menu bar is significantly thinner and the text is smaller and less legible. The 'Add & Manage Content' option is still highlighted with a blue rectangular box, demonstrating how the menu becomes difficult to read in Internet Explorer.
